- D. Overseeing the evaluation of the Board of Directors, its committees and management; and
- E. Otherwise taking a leadership role in shaping the corporate governance of the Company and overseeing the Company's compliance with applicable legal and regulatory governance requirements.

II. STRUCTURE AND OPERATIONS

Composition and Qualifications

The Committee shall be comprised of three or more members of the Board of Directors, each of whom shall be determined by the Board of Directors to be "independent" under the rules of the New York Stock Exchange.

Appointment and Removal

The members of the Committee shall be appointed by the Board of Directors and shall serve until such member's successor is duly elected and qualified or until such member's earlier resignation, removal, disqualification or death. The members of the Committee may be removed, with or without cause, by action of the Board of Directors.

Chairperson

Unless a chairperson of the Committee ("Chairperson") is selected by the Board of Directors, the members of the Committee shall designate a Chairperson by the majority vote of the full Committee membership. The Chairperson of the Committee will

chair all regular sessions of the Committee and is responsible to set the agendas for Committee meetings. In the absence of the Chairperson of the Committee, the Committee shall select another member to preside.

Delegation to Subcommittees

The Committee may form subcommittees composed of one or more of its members for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate.

III. MEETINGS

The Committee shall meet periodically as circumstances dictate. The Chairperson of the Board of Directors or any member of the Committee may call meetings of the Committee. All meetings of the Committee may be held telephonically. In addition, unless otherwise restricted by the Company's charter or bylaws, the Committee may act by unanimous written consent in lieu of a meeting.

All non-management directors that are not members of the Committee may attend meetings of the Committee but may not vote. Additionally, the Committee may invite to its meetings any director, management of the Company and such other persons as it deems appropriate in order to carry out its responsibilities. The Committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.

A majority of the Committee shall constitute a quorum for the transaction of business and the act of a majority of those present at any meeting at which there is a quorum shall be the act of the Committee.

IV. RESPONSIBILITIES AND DUTIES

The following functions are expected to be the common recurring activities of the Committee in carrying out its responsibilities outlined in this Charter. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Committee may also carry out any other responsibilities and duties delegated to it by the Board of Directors from time to time related to the purposes of the Committee outlined in this Charter.

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern that the Committee deems appropriate and may, in its sole discretion, retain, obtain the advice of and terminate any consultant, legal counsel or other adviser to the Committee. The Committee shall be directly responsible for the appointment, compensation and oversight of any consultant, legal counsel or other adviser retained by the Committee. The Company shall provide appropriate funding, as determined by the Committee, for payment of reasonable

compensation to any consultant, legal counsel or other adviser retained by the Committee, as well as funding for the payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties. The Committee also shall have sole authority to retain and to terminate any search firm to be used to assist it in identifying candidates to serve as directors of the Company, including sole authority to approve the fees payable to such search firm and any other terms of retention.

Board Selection, Composition and Evaluation

1. Establish criteria for the selection of nominees for election as directors.
2. Identify individuals believed to be qualified as candidates to serve on the Board of Directors and select or recommend that the Board of Directors select the nominees for all directorships to be filled by the Board of Directors or by the stockholders at an annual or special meeting. In identifying candidates for membership on the Board of Directors, the Committee shall take into account all factors it considers appropriate, which may include (a) ensuring that the Board of Directors, as a whole, is appropriately diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as an “audit committee financial expert,” as that term is defined by the rules of the SEC), local or community ties and (b) minimum individual qualifications, including strength of character, mature judgment, familiarity with the company's business and industry, independence of thought and an ability to work collegially. The Committee also may consider the extent to which the candidate would fill a present need on the Board of Directors.

Review and make recommendations to the full Board of Directors, or determine, whether members of the Board of Directors should stand for re-election. Consider matters relating to the tenure and retirement of members of the Board of Directors.

3. Evaluate candidates for nomination for election to the Board of Directors, including those recommended by stockholders on a substantially similar basis as it considers other nominees. In that connection, the Committee shall adopt procedures for the submission of recommendations by stockholders as it deems appropriate.
4. Conduct all necessary and appropriate inquiries into the backgrounds and qualifications of possible candidates.
5. Oversee the independence review of members of the Board of Directors and executive officers and consider questions of independence and possible conflicts of interest.
6. Review and make recommendations, as the Committee deems appropriate, regarding the composition and size of the Board of Directors in order to ensure the Board of Directors has the requisite expertise and its membership consists of persons with sufficiently diverse and independent backgrounds.

7. Oversee the evaluation of the Board of Directors, its committees, as applicable, and management.
8. Recommend members of the Board of Directors to serve on the committees of the Board of Directors, giving consideration to the criteria for service on each committee as set forth in the charter for such committee, as well as to any other factors the Committee deems relevant, and, where appropriate, make recommendations regarding the removal of any member of any committee.
9. Recommend members of the Board of Directors to serve as the chairperson of each standing committee of the Board of Directors.

Implementation of Provisions of Stockholders Agreement

10. To the extent there is a stockholders agreement to which the Company is a party (as such may be amended from time to time) governing the composition of the Company's Board of Directors, the Committee shall act appropriately to nominate individuals to serve as directors of the Board of Directors, to fill vacancies on the Board of Directors and to comply with such other matters as may be specified in such agreement, in each case, in accordance with such stockholders agreement.

Corporate Governance

11. Review the adequacy of the charter and bylaws of the Company and recommend to the Board of Directors, as conditions dictate, that it proposes amendments to the charter and bylaws for consideration by the stockholders.
12. Develop and recommend to the Board of Directors a set of corporate governance guidelines and keep abreast of developments with regard to corporate governance to enable the Committee to make recommendations to the Board of Directors in light of such developments as may be appropriate.
13. Review policies relating to meetings of the Board of Directors. This may include meeting schedules and locations, meeting agendas and procedures for delivery of materials in advance of meetings.

Reports

14. Report regularly to the Board of Directors including:
 - (i) following meetings of the Committee; and
 - (ii) with respect to such other matters as are relevant to the Committee's discharge of its responsibilities.

The Committee shall provide such recommendations to the Board of Directors as the Committee may deem appropriate. The report to the Board of Directors may take the form of an oral report by the Chairperson or any other member of the Committee designated by the Committee to make such report.

15. Maintain minutes or other records of meetings and activities of the Committee.

V. ANNUAL PERFORMANCE EVALUATION

The Committee shall perform a review and evaluation, at least annually, of the performance of the Committee and its members, including by reviewing the compliance of the Committee with this Charter. In addition, the Committee shall review and reassess, periodically, the adequacy of this Charter and recommend to the Board of Directors any improvements to this Charter that the Committee considers necessary or appropriate.
