This Supplemental Disclosure may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These statements include, but are not limited to, statements related to the Company's expectations regarding the performance of its business, its financial results, its liquidity and capital resources and other non-historical statements. You can identify these forward-looking statements by the use of words such as "outlook," "believes," "expects," "potential," "continues," "may," "will," "should," "seeks," "approximately," "projects," "predicts," "intends," "plans," "estimates," "anticipates" or the negative version of these words or other comparable words. Such forward-looking statements are subject to various risks and uncertainties, including those described under the section entitled "Risk Factors" in the Company's Annual Report on Form 10-K for the year ended December 31, 2017 as such factors may be updated from time to time in our periodic filings with the SEC, which are accessible on the SEC's website at www.sec.gov. Accordingly, there are or will be important factors that could cause actual outcomes or results to differ materially from those indicated in these statements. These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included in this document and in the Company's filings with the SEC. The Company undertakes no obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise, except as required by law.

GLOSSARY OF TERMS

Term	Definition
Anchor Spaces	Spaces equal to or greater than 10,000 square feet ("SF") of GLA.
Anchor Space Repositioning	Anchor leasing that is primarily focused on reconfiguring or significantly remerchandising existing space with minimal work required outside of normal tenant improvement costs.
Annualized Base Rent ("ABR")	Monthly base rent as of a specified date, under leases which have been signed or commenced as of the specified date, multiplied by 12. Annualized base rent (i) excludes tenant reimbursements of expenses, such as operating costs, insurance expenses and real estate taxes, (ii) excludes percentage rent and ancillary income and, (iii) is calculated on a cash basis and differs from how rent is calculated in accordance with generally accepted accounting principles in the United States of America ("GAAP") for purposes of financial statements.
ABR PSF	ABR divided by leased GLA, excluding the GLA of lessee owned leasehold improvements.
Billed GLA	Aggregate GLA of all commenced leases, as of a specified date.
Development & Redevelopment Stabilization	Development and redevelopment projects are deemed stabilized upon the earlier of (i) reaching approximately 90% billed or (ii) one year after the property is placed in service.
EBITDA, EBITDAre, Adjusted EBITDA & Cash Adjusted EBITDA	Supplemental, non-GAAP performance measures. Please see below for more information on the limitations of non-GAAP performance measures. A reconciliation of net income to each of these measures is provided on page 7. EBITDA is calculated as the sum of net income (loss) presented in accordance with GAAP before interest expense, federal and state taxes, and depreciation and amortization. EBITDAre represents EBITDA as adjusted for (i) gain (loss) on disposition of operating properties, (ii) impairment of real estate assets and real estate equity investments. Adjusted EBITDA represents EBITDAre as adjusted for gain (loss) on extinguishment of debt and other items that the Company believes are not indicative of the Company's operating performance. Cash Adjusted EBITDA represents Adjusted EBITDA as adjusted for straight-line rental income, amortization of above- and below-market leases and tenant inducements and straight-line ground rent expense. EBITDA, EBITDAre, Adjusted EBITDA & Cash Adjusted EBITDA include the Company's unconsolidated joint venture, which was sold on August 8, 2017, at pro rata share.
Gross Leasable Area ("GLA")	Represents the total amount of leasable property square footage.
Leased GLA	Aggregate GLA of all signed or commenced leases, as of a specified date.
LIBOR	London Interbank Offered Rate.
Metropolitan Statistical Area ("MSA")	Defined by the United States Office of Management and Budget as a region associated with at least one urbanized area that has a population of at least 50,000 and comprises the central county or counties containing the core, plus adjacent outlying counties having a high degree of social and economic integration with the central county or counties as measured through commuting.
NAREIT	National Association of Real Estate Investment Trusts.
NAREIT Funds From Operations ("FFO")	A supplemental, non-GAAP performance measure. Please see below for more information on the limitations of non-GAAP performance measures. A reconciliation of net income to NAREIT FFO is provided on page 8. NAREIT defines FFO as net income (loss) presented in accordance with GAAP excluding (i) gain (loss) on disposition of operating properties, and (ii) extraordinary items, plus (iii) depreciation and amortization of operating properties, (iv) impairment of operating properties and real estate equity investments, and (v) after adjustments for unconsolidated joint ventures calculated to reflect FFO on the same basis.
Net Effective Rent	Average ABR over the lease term adjusted for tenant improvements and allowances, tenant specific landlord work and third party leasing commissions.
Net Operating Income ("NOI")	A supplemental, non-GAAP performance measure. Please see below for more information on the limitations of non-GAAP performance measures. A reconciliation of NOI to net income is provided on page 10. Calculated as total property revenues (base rent, ancillary and other, expense reimbursements, and percentage rents) less direct property operating expenses (operating costs, real estate taxes and provision for doubtful accounts). NOI excludes corporate level expenses (including G&A), lease termination fees, straight-line rental income, amortization of above- and below-market leases and tenant inducements, straight-line ground rent expense and the Company's unconsolidated joint venture, which was sold on August 8, 2017.
NOI Yield	Calculated as the projected incremental NOI as a percentage of the incremental third party costs of a specified project, net of any project specific credits (i.e. lease termination income or other ancillary credits).
Non-controlling Interests	Relate to the portion of Brixmor Operating Partnership LP ("OP"), a consolidated subsidiary, held by the non-controlling interest holders. As of March 31, 2018, the Company, through its 100% ownership of BPG Subsidiary, Inc., owns 100% of the OP.
Non-owned Major Tenant	Also known as a shadow anchor. Represents tenants that are situated on parcels which are owned by unrelated third parties, but, due to their location within or immediately adjacent to a shopping center, appear to the consumer as a retail tenant of the shopping center and, as a result, attract additional consumer traffic to the center.
Outparcel	Refers to a portion of a shopping center, separate from the main retail buildings and generally located on the outer edge of a property, which may currently, or in the future, contain one or several freestanding buildings.
Percent Billed	Billed GLA as a percentage of total GLA.
Percent Leased	Leased GLA as a percentage of total GLA.
PSF	Per square foot of GLA.
Redevelopment	Larger scale projects that typically involve new construction, reconfiguration or demolition of a portion of the shopping center to accommodate new retailers.
Rent Spread	Represents the percentage change in cash ABR PSF in the first year of the new lease relative to cash ABR PSF in the last year of the old lease. Rent spreads are presented only for leases deemed comparable.
New Rent Spread	Includes new leases executed on units that were occupied within the prior 12 months. New leases signed on units that have been vacant for longer than 12 months and new leases signed on first generation space are non-comparable and excluded from New Rent Spreads.
Renewal Rent Spread	Includes renewal leases executed with the same tenant in the same location to extend the term of an expiring lease. Renewals that include the expansion of an existing tenant into space that has been vacant for longer than 12 months are non-comparable and excluded from Renewal Rent Spreads.
Option Rent Spread	Includes contractual renewal options exercised by tenants in the same location to extend the term of an expiring lease.
Total Rent Spread	Combined spreads for new, renewal and option leases.

GLOSSARY OF TERMS

Term	Definition
Same Property NOI	A supplemental, non-GAAP performance measure. Please see below for more information on the limitations of non-GAAP performance measures. A reconciliation of same property NOI to net income is provided on page 11. Represents NOI of properties owned for the entirety of both periods excluding properties under development. Same Property NOI excludes income or expense associated with the Company's captive insurance entity.

Number of Properties in Same Property NOI Analysis:	
	As of 3/31/18
Total properties in Brixmor Property Group portfolio	480
Acquired properties excluded from same property NOI	(4)
Additional exclusions	(2)
Same property NOI pool	474
In process redevelopment properties (includes multi-phase projects)	(13)
Completed redevelopment properties	(4)
Total redevelopment properties	(17)
Same property NOI excluding redevelopments pool	457

Small Shop Spaces	Spaces less than 10,000 SF of GLA.
Straight-line Rent	Non-cash revenue related to GAAP requirement to average a tenant's contractual rent payments over the life of the lease, regardless of the actual cash collected in the reporting period.
Year Built	Year of most recent redevelopment or year built if no redevelopment has occurred.

Non-GAAP Performance Measures

The Company's non-GAAP performance measures have limitations as they do not include all items of income and expense that affect operations, and accordingly, should always be considered as supplemental financial results to those presented in accordance with GAAP.

Non-GAAP performance measures should not be considered as alternatives to, or more meaningful than, net income (presented in accordance with GAAP) or other GAAP financial measures as indicators of financial performance and are not alternatives to, or more meaningful than, cash flow from operating activities (presented in accordance with GAAP) as a measure of liquidity. Computation of non-GAAP performance measures may differ in certain respects from the methodology utilized by other REITs and, therefore, may not be comparable to similarly titled measures presented by such other REITs. Investors are cautioned that items excluded from non-GAAP performance measures are relevant to understanding and addressing financial performance.

The Company believes that the non-GAAP measures it presents are useful to investors for the following reasons:

- NAREIT FFO By excluding gains and losses related to dispositions of previously depreciated operating properties, real estate-related depreciation and amortization of continuing operations, impairment of operating properties and real estate equity investments, extraordinary items, and after adjustments for joint ventures calculated to reflect FFO on the same basis, investors can compare the operating performance of a company's real estate between periods.
- EBITDA, EBITDAre, Adjusted EBITDA & Cash Adjusted EBITDA By excluding various items that the Company believes are not indicative of its operating performance, EBITDA, EBITDAre, Adjusted EBITDA & Cash Adjusted EBITDA provide a meaningful performance measure as it relates to the Company's ability to meet various coverage tests.
- NOI and Same Property NOI Same property NOI eliminates disparities in NOI due to the acquisition, disposition or stabilization of development properties during the period presented, and therefore, provides a more consistent metric for comparing the operating performance of a company's real estate between periods.

(1) Indicates project added to pipeline during the three months ended March 31, 2018.

The Company has identified potential future reinvestment opportunities at the properties listed above. Many of these opportunities are, or will soon be, in preliminary planning phases and as such, may not ultimately become active reinvestments. Proceeding with these reinvestments could be subject to factors outside of the Company's control which could delay, suspend or defer the expected opportunity or timing of execution. While the Company expects that these projects are likely to become active in the near-term, it should be noted that this list will fluctuate as projects become active, suspended or otherwise rescheduled. For more information, please refer to the "Risk Factors" section of the Company's Annual Report on Form 10-K for the year ended December 31, 2017.
